

Green Hollow Bowmen Programme October - December 2009

All weekend meetings start at 10.30am (assembly/fetching gear) for 11.00am (first arrows) unless noted differently in the list below.

On club days, first arrows may be delayed if insufficient members turn up at the shed in time, so please park and assemble in the lower car park beside the Mugdock Plantaria in case people are still waiting there for enough bodies to help take the right amount of equipment to the field.

Major club events are in **bold**, other events of interest are in *italics*.

As you will all know, we have a committee rota for running club meetings. In the list below the letters in brackets at the end of each entry tell you who the "duty committee members" for that meeting are: G/F = Gary and Fede; H/A = Hugh and Alison; B/N = Bosco and Ned. If you have any queries about a particular meeting or want club equipment brought along for you, please contact one of the duty committee members in good time:
